3rd September 2020

Dear Parents and carers,

I hope that this letter finds you well, and that you have enjoyed the summer holidays with your family and friends. As we approach the start of a new and slightly different academic year, I wanted to write to remind you of some of the key information given prior to the holidays. Guidance is ever changing for many sectors across the country, and education has been no different, with yet a further update sent out to schools on Friday 28th August therefore our plans will be adjusted accordingly.

We have worked tirelessly as a team to provide a COVID secure learning environment where possible, working with the guidance given to schools and the local authority Health and Safety team to reduce the risk as much as possible. This includes increased cleaning of toilets and high touch areas throughout the school day. However, we must remember we are all living through a pandemic that no one has gone through before, we will need to be supportive and united.

To support the school and your child's return, please refer to the information booklet, Home School Agreement and letters sent to all families in July for new policies and procedures. We are aware that the start and the end of the day will be busy and we appreciate your patience at these times in particular. We would encourage all parents to wear a facemask at these times and ensure that pupils are accompanied by one adult only. Children in Nursery – Year 4 should not be dropped off or collected by older siblings in years 5 and 6. Please be reminded that entry to the school will be via Spurling Road and exit via Shortcrofts Road. If we all work together, we know that we can swiftly and efficiently settle the children to class.

Year Group	Start Date	Entry Gate	Gate Opening
